Becky,
Your a real
sweet girl and
a great friend.
We've had our ups
and downs but they
have all ended out for the
better. I'm really glad that
you came to the Hub. Its a great
place, I think. I hope you & James stay
together now and in the future. You
two are so cute together. Never forget last
Sunday when I was in the back of the truck
Y'all like to lost me. Well be good and stay as
sweet as you are and you'll go far in life.
Friends forever.

Jody

Becky,

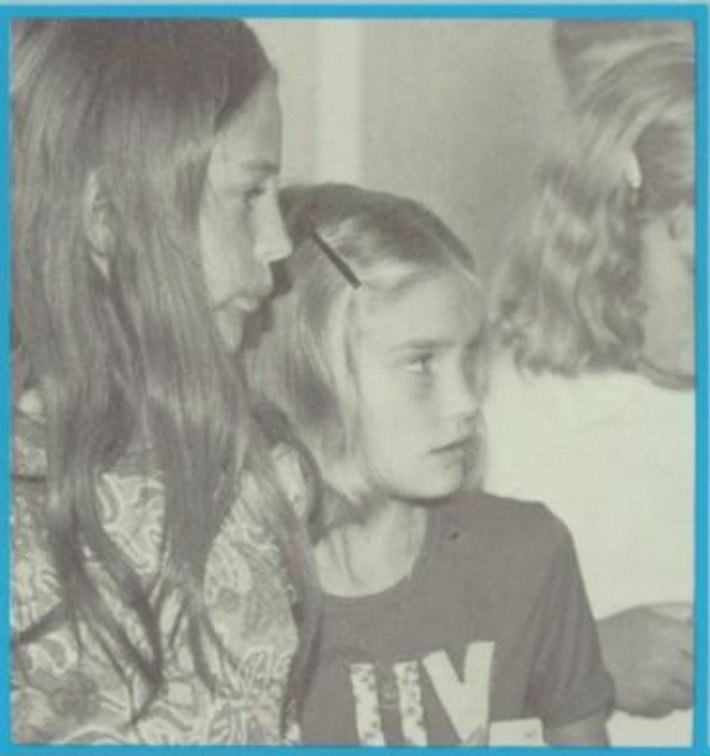
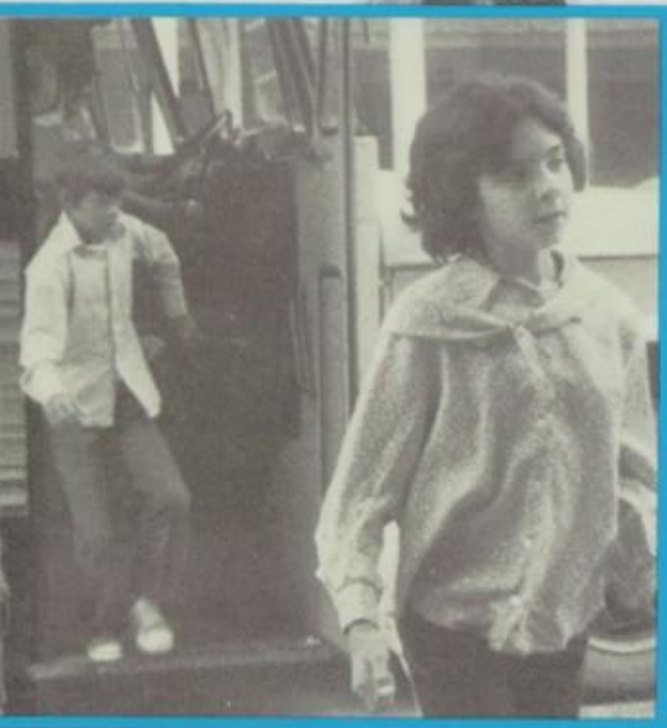
Presiding this zoo is a keeper, of course. I met him this morning, not really by choice. It's against Colony Policy — tearing down walls. Are you teasing the students or roaming the halls? Have you a reason for leaving your class? Then where is your ticket — your student pass?"

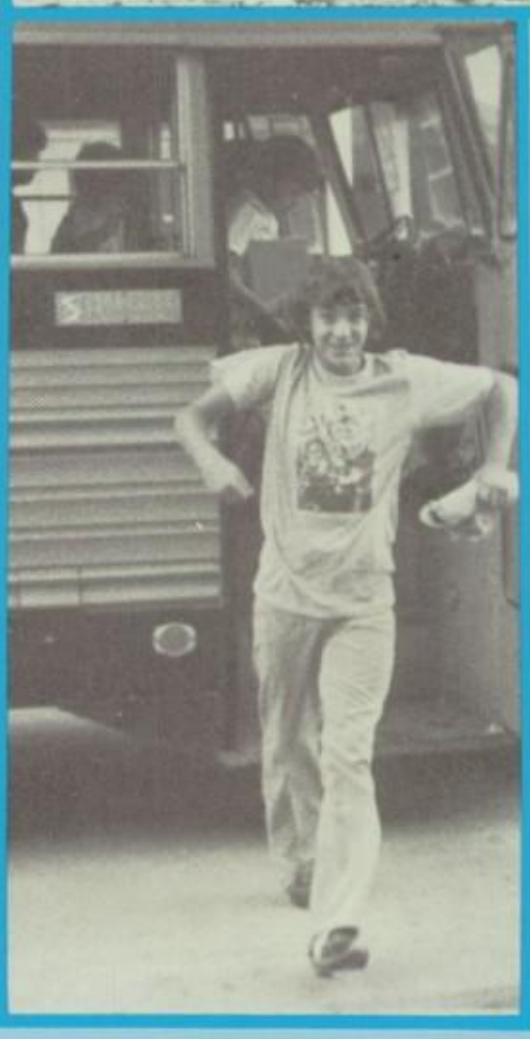
I'm not really a student. That I'll admit.
I was just checking to see if I'd fit. If it's all right with you, I'll just look around. And see if a place for me can be found.

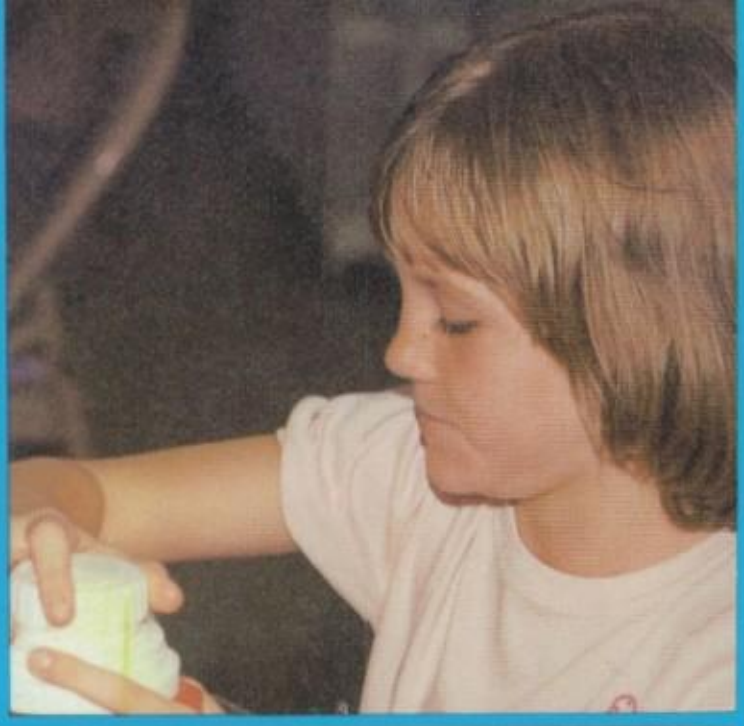
"You're certainly welcome to walk through our zoo; And, if you would like, eat lunch with us, too."

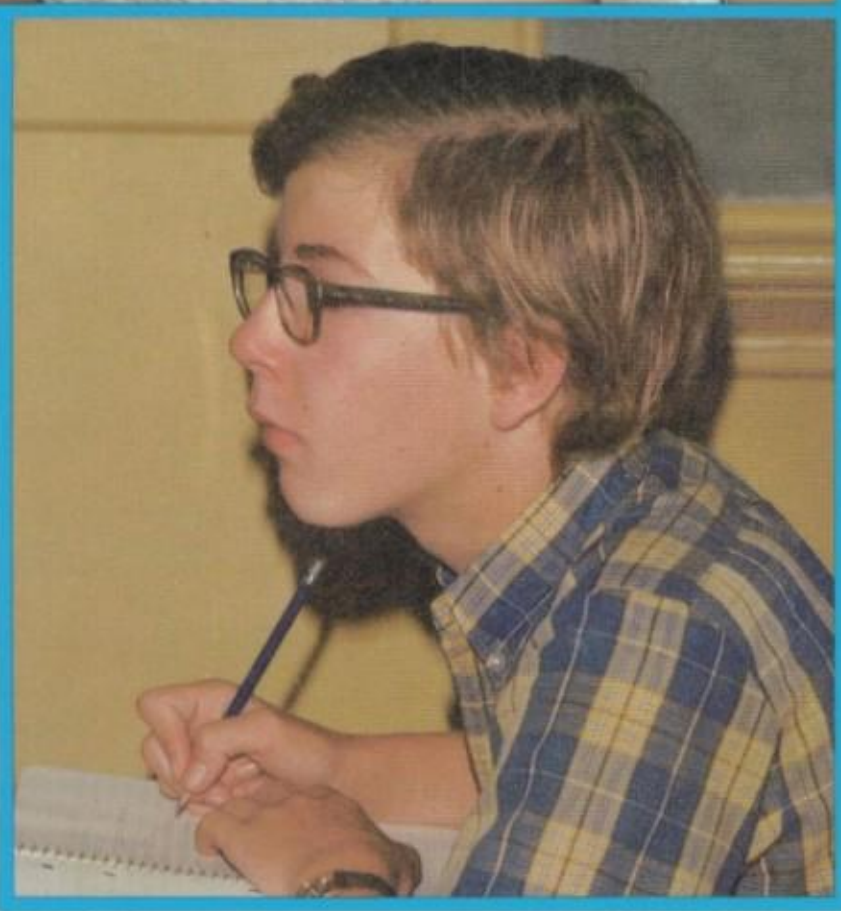
Caldwell Hollingsworth, Principal

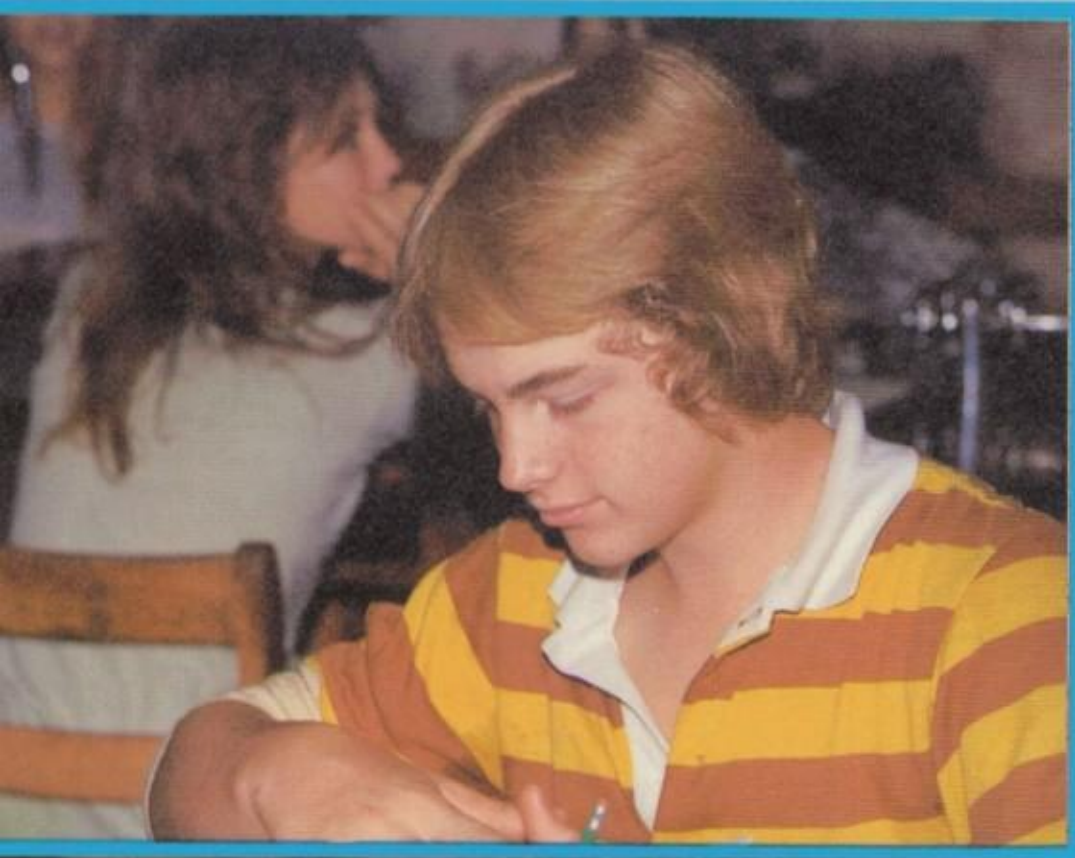


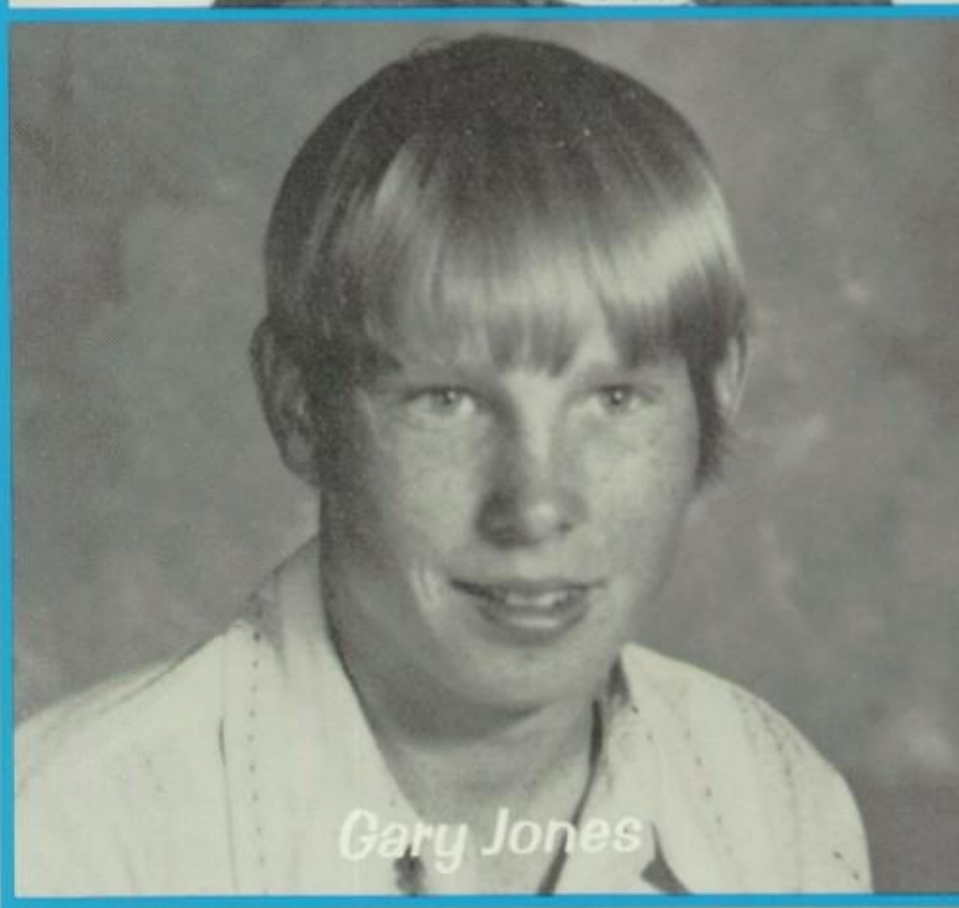






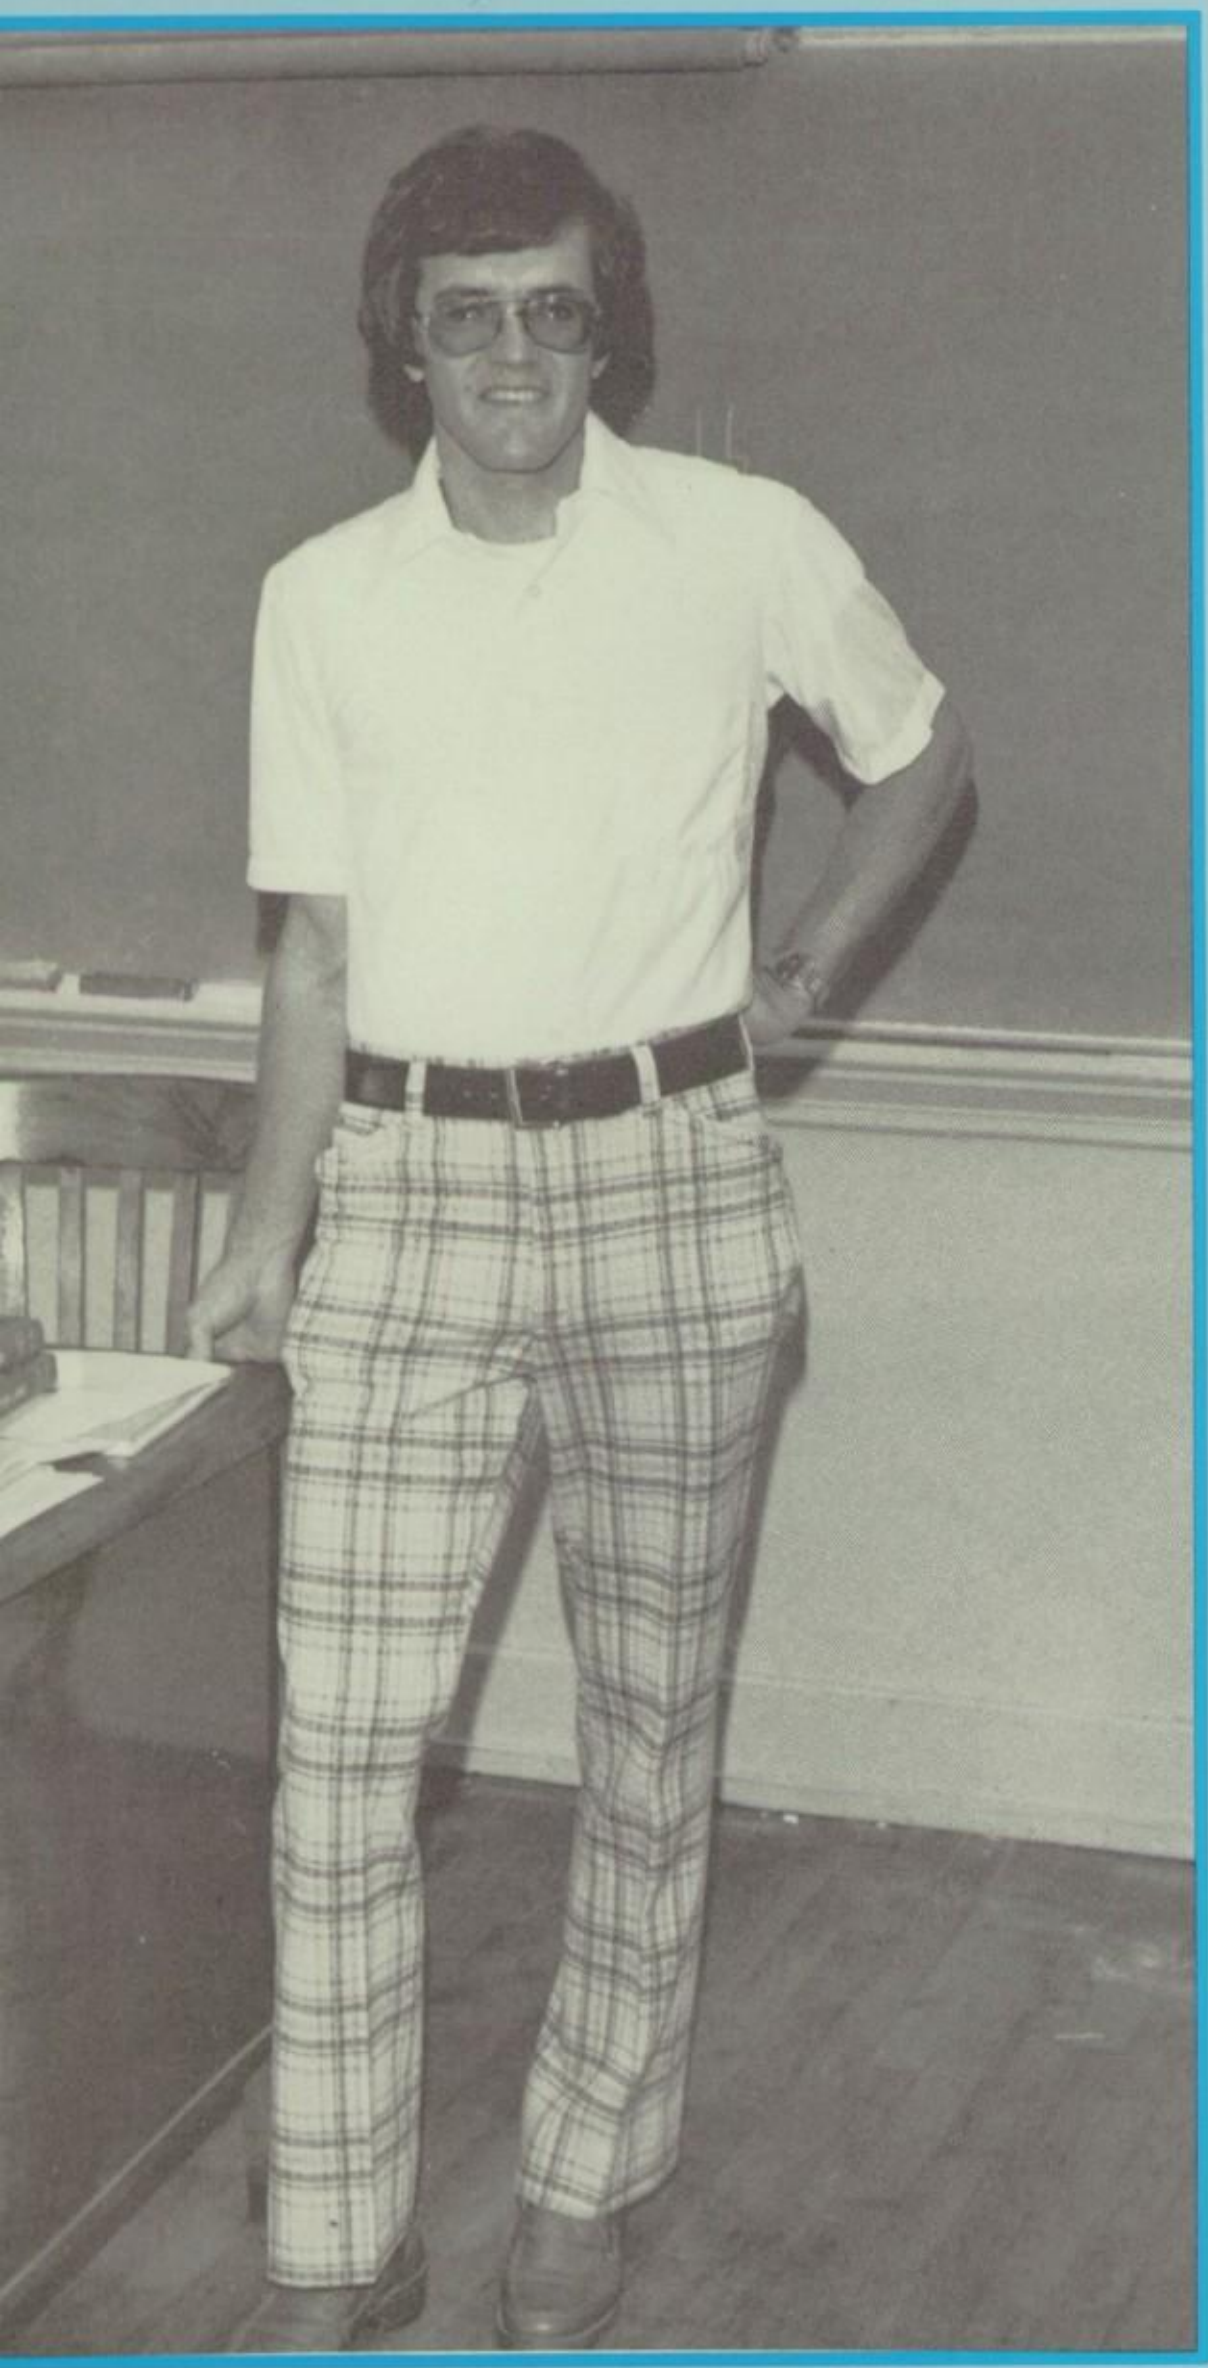






IN MEMORY

In memory of Dorothy Charo, Gary Jones, *and* Miss Delia Hiten *whom we loved and cared for. They brought love and joy to our lives, and we shall cherish their memory for all times.*



DEDICATION

There comes an hour of sadness
With the setting of the sun,
Not for sins committed
But for the things we have not done.

Your friends say they'll keep in touch, but you know they won't. Your teachers say come back and see them, and you know you won't. Maybe some day it won't matter . . . But right now, it hurts a little.

A Company's Responsibilities

When a company is part of the community in which it's located, it has certain responsibilities—
... to offer a good place to work ... to be a good neighbor ... to recognize its role in the overall plan ... and to help its community to be one of the best places to live and work. We at Continental Conveyor accept our responsibilities. After all ... we live here too.

The Hub Staff

Every school year produces many memories which each of us treasure. As you look through this book, both now and in the future, we hope you will find something that will remind you of your most pleasant school days. There may also be things to remind you of the not so funny side of education. However, bringing the fun together with the not so fun throughout the school year has been the aim of the 1978 Yearbook Staff, Mrs. Rebekah Bush our advisor, Mr. Jimmy Elmore and Belmont Studios.

Although we strive for perfection, one of the not so fun parts of education is making an error. So we say to you here — for our errors we apologize, for our perfection we are proud. Whether a student, faculty member, friend, or just plain owner of a yearbook, we hope that you share our pride — and to you, the 1978 Yearbook Staff proudly presents this 29th edition.

Becky,
To a very pretty girl. Good luck in the future.

James

Becky.

I don't know where to start at. We've had some good times and some bad times. I'd rather talk about all the good times instead of all the ~~bad~~ times, even though there is not many. We've almost been going together now for a hole year. I can't really believe it but it's so. I just hope we can stay together for many many more years. And maybe someday we might even get married. Remember the time we went to Tuscaloosa for the weekend. And those trips to Birmingham to see Edward. But most of all I can't wait until this summer, we will stay at the lake all summer. Well just on the week-ends & on the holidays. We will take the boat up there.

Remember the carnival & the flat tire we had after the carnival. It was

rough, wasn't it? And all those times at Winfield, & seeing mom at the hospital when you come home & cooked dinner for us! Ha Ha (I really cooked it all) Just Kidding!!!!

Just thinking we've really had a lot of fun times together. I could keep writing on & on of all the things we've done. I hope we stay together always. So we can have many more good times together. Well I gotta stop, because I am running out of paper. But we will always be together 4-ever. Because I love You! (really)

B/W

Love always!
